- broaden your knowledge; learn skills
- provide entertainment

Disadvantages:

- violent programs affect children
- children spend too much time -----
watching TV

Sample composition (Bài luận mẫu):

Nowadays, many families have more than one television set in their homes. However, having a television may bring about advantages as well as disadvantages. Firstly, television can help you keep pace with the latest news and the advances in science and technology. It is also a means of broadening your knowledge. You can learn a lot of skills from the educational programs. And, last but not least, television provides you with a variety of entertainment. You can enjoy plays, movies, game shows, sport events, etc. On the other hand, television has some drawbacks. There are too many violent programs on television that can affect your children's immature minds. Moreover, if you don't control well, your children may spend so much time watching television that they neglect their schoolwork. After all, in order to make good use of the television, we should exploit its advantages and avoid any disadvantages that it may have.
